Norms for Meeting

Timeliness It was agreed that we would be respectful of the 4:30 PM start time, but that if members are going to be late they may notify the Chair. If quorum has yet to be reached by 4:40 but there is knowledge that members who would fulfill this quorum are on their way then the council members present can decide whether to wait until the rest of the members arrive, or postpone the meeting. Regardless of whether or not we start on time, we will be respectful of the end time, and a meeting time of 4:30-6:00 PM was officially established for future meetings. If it is determined that we cannot address all agenda items within the time allotted, items may be either tabled until the next meeting, or another meeting may take place if agreed upon by the council members.

Agenda The name(s) of the person(s) responsible for presenting each item will be listed on the agenda. Data presentations will be included in the agenda as well. The Accountability Calendar will be attached to the agenda to ensure that we are covering what we need to in order to maintain our schedule of duties as a Council. The Chair will distribute draft agendas 10 days before the meeting for review.
